Children's Breakout Groups

9:30 - 10:30

The morning begins with Breakout Groups where children are grouped into similar ages. During this time children are focusing and learning applicable ways in which to live by Gods Word. Each lesson

is repeated for 3 weeks allowing time for memorization of scripture and to better understand what is being taught.

Throughout the

morning, children will experience hands-on-learning through our rotations. Class Rotations include Music, Arts & Crafts, Science, Social Studies and Biblical Foods.

Through these classes kids are signing, working on a craft, or experiencing what an individual may have endured from our bible lesson. It is truly a fun way to learn and understand the truths of Gods Word.

Worship & Praise

10:30 - 12:00

From the moment children arrive at Kidz Quest, they'll be led in a spirit filled worship and praise service by our Children's Praise Team. Kids will sing their hearts out to fun music while praising our Mighty God.

During Kidz Quest our children's minister will bring Bible stories to life and help kids to explore verses to treasure in their hearts. Children will see dramatic sketches and be encouraged to bring their own offerings during Kidz Quest.

Parents

Proverbs 22:6 Train up a child in the way he should go, even when he is old he will not depart from it. We like to use this verse to iterate the importance that you have on your child's life as a Christian. Kids @ RBC and it's leadership team is here to provide resources for you and your family to use and to help with the discipleship of your children. If you are in need of resources to help, please feel free to contact the children's minister at any time.

Volunteers

We are in constant search for excellent volunteers and leaders to assist in the ministry to our children. If you would like to help please see the Children's Minister.
